

Lockwood Academy II

**Floor-standing Loudspeaker with 15" Dual Concentric Driver
Ignite Your Music's True Potential & Immerse in Unmatched
Power and Dynamics**

Introducing the Lockwood Academy II Floor-standing Loudspeaker featuring a 15" Driver. The Academy II represents the pinnacle of our Academy design, showcasing our renowned 15" Lockwood Green HPD/SL point-source driver.

Elevate your musical journey with the Lockwood Academy II speaker. Its exceptional performance unveils an immersive 3D soundstage with unparalleled depth, enveloping you in a music experience like no other. Each note springs to life with precision and intricacy, owing to its impressive speed and dynamism.

The Lockwood Academy II loudspeaker houses a distinctive 15-inch point-source driver, ensuring the music maintains its intended unity. This guarantees an authentic and lifelike sound that remains faithful to the artist's vision.

Tailored for devoted audiophiles in pursuit of sonic perfection, the Lockwood Academy II epitomises auditory indulgence. Painstakingly hand-crafted using premium components, its compact floor-standing design employs a sophisticated crossover system, yielding sound quality that surpasses expectations and boasts unrivalled purity and accuracy.

Whether you're revelling in your cherished albums within an intimate space or embarking on an audiophile journey, the Lockwood Academy II promises an extraordinary experience beyond the ordinary. Bringing the aura of a professional recording studio to your living space, the Lockwood Academy loudspeaker embodies a fusion of premium materials and acoustic mastery, meticulously engineered to produce an effortless natural sound that's unparalleled in its clarity and detail.
