

Lockwood Academy 1

Floor-standing Loudspeaker with 12" Dual Concentric Driver
Unleash the Full Potential of Your Music and Feel the Power and Dynamics

Unleash the full potential of your music with the Lockwood Academy loudspeaker. Its unparalleled performance delivers a 3D soundstage so immersive that you'll feel as though you can reach out and touch the music. With its breathtaking speed and dynamics, every note is brought to life with accuracy and detail.

The 12-inch dual concentric point-source driver of the floor-standing Lockwood Academy provides an unmatched level of coherence, ensuring that your music is heard as it was intended. This results in a speaker that delivers a natural, truly lifelike sound experience.

For audiophiles who demand the finest in sound quality, the Lockwood Academy offers an exceptional listening experience. The crossover design of this compact floor-standing loudspeaker is hand-built with premium components, ensuring a clean signal path. The result is a sound quality that exceeds expectations, with unmatched clarity and accuracy.

Whether you're listening to your favourite tracks in a smaller space or seeking the ultimate audiophile experience, the Lockwood Academy is sure to deliver.

Bring the power of the recording studio to your home with the Lockwood Academy loudspeaker. It is the epitome of premium materials and acoustic engineering, designed to deliver effortless, natural sound that is unmatched in clarity and detail.
